

CHANGE OF LICENSESERVER

Please fill in this form if you would like to transfer your license from one computer to another. We only consider transferring your license when your current licenseserver (which holds your host ID) has been: lost, stolen, damaged, upgraded or replaced.

Please be advised that: selling, transferring, renting or assigning a license to a 3rd party without our explicit approval is prohibited by the End User License Agreement (EULA) and that by filling in and signing this document you agree to our terms and conditions.

Host ID old computer	
Host ID new computer	
License Key (if applicable)	
Product(s) you wish to transfer	
Reason of transfer	

Company name	
Job Title	
Name
